New Changes for 2011

A New Look

We have re-formatted our price list and model numbers for the Gerber Stump Supports. Our price list has changed but our prices have not! Starting in September 2010 your invoice will be broke down into detail line items. This helps us better track our inventory and hopefully helps streamline your billing processes. You can download a copy of the new Order Form/Price List from our website or request a copy by emailing us at sales@gerberchairmates.com

Adjustable Support

Finally here!!! The Gerber Swing-Away Stump Support is now available in an angle adjustable unit. The unit adjusts between a 90° & a 45° angle for patients that already have a knee contracture and desire to be more comfortable. The units fit the pin style and pivot/drop in/ sector block style wheelchairs. Visit our website at www.gerberchairmates.com for more information.

Contoured Gel Pad

Comfort for amputee patients is a top priority of Gerber Chair Mates. That is why we teamed up with Gel Oventions™ to bring the BEST of both worlds to individuals who have suffered an above or below the knee amputation. We now offer our customers a Contoured Gel Pad. The pads are currently available in 2 sizes-6" x 7 ½" and 8" x 9". We hope to introduce a larger pad, 10" x 10", by mid-summer. The gel pads are available for either the original Swing-Away Stump Support or the new angle adjustable version of our Swing-Away Stump Support. The MANY advantages of gel make this the best pad for your patients!! For more information call us or visit us on line.

Universal Hanger

Gerber Chair Mates plans to introduce a Universal Hanger that will accommodate our Swing-Away Stump Supports in both versions. Individuals who desire to order units that can be made to fit either side of the wheelchair can look for this hanger in early June.

Let us Help

If you experience any problem with the Swing-Away Stump Support adapting to a particular chair, please contact us immediately. Wheelchair manufacturers change styles, models and designs, often without our knowledge. By bringing it to our attention, we can work together to solve the problem. Email us at sales@gerberchairmates.com
